Personal Statement

I am Mehedi Hasan, a coding enthusiast from Bangladesh with a strong academic background. I completed my Bachelor's in Computer Science and Engineering from Primeasia University and a Diploma in Information Technology from Mahsa University. I enjoy learning new things, love playing cricket, and appreciate good food like Biryani. Cooking is also one of my hobbies, and I love cooking. I strive to grow and lead myself in a unique way. I am a responsible and hardworking individual who values discipline and consistency. I aim to apply my skills and knowledge to contribute positively to any organization.
